- 1. Exclusive Mandate:** Aircraft for Africa requires an Exclusive Mandate or Regional Mandate to represent the aircraft. This means that they need to have the authorization to sell or procure the aircraft.
- 2. Offer to Purchase (OTP):** Once the specifications of the aircraft are received and accepted by the buyer, an Offer to Purchase(OTP) is entered into and signed by both the buyer and the seller. This document shows the intention to purchase the aircraft.
- 3. Refundable Deposit:** Upon signature and acceptance of the **OTP** by both parties, a pre-determined refundable deposit of the purchase price is placed in escrow for an international transaction.
- 4. Local transaction within Southern Africa,** the refundable deposit is paid into a trust account within 2 business days of signing the **OTP**.
- 5. Grounding the Aircraft:** Upon receipt of the refundable deposit, the aircraft will be grounded and removed from the marketplace, indicating that it is no longer available for sale to other potential buyers.
- 6. Pre-Purchase Inspection:** A date will be set for the pre-purchase inspection, which will be carried out on behalf of the buyer. The inspection is to be carried out by an independent engineer, and all records, component status, logbooks, etc. will be made available for inspection.
- 7. Proof of No Encumbrances:** The seller is required to provide proof that there are no encumbrances on the aircraft, ensuring that it is free from any legal claims or liabilities.
- 8. Acceptance Certificate:** Upon the purchaser signing the acceptance certificate, the refundable deposit becomes non-refundable and will be applied to the final purchase price.
- 9. Aircraft Purchase Agreement:** After the acceptance certificate is signed, an Aircraft Purchase Agreement will be entered into between the seller and the purchaser, finalizing the terms and conditions of the sale.
- 10. Additional Sale Conditions:** Any additional suspensive sale conditions, such as subject to finance or insurance, required by the buyer and the seller, will form part of the OTP.
- 11. Insurance and Finance Assistance:** Aircraft for Africa offers assistance with insurance and finance quotations if required. Terms and conditions apply, and these will be included in the Aircraft Purchase Agreement.
